Skylight Gallery NYC Presents

538 W. 29th Street, New York, NY 10001

Room No. 5 Circle Of Arts group show and Spanish Artist Pablo D'Antoni solo

Opening Reception Thursday Aug. 9th 6-8 pm

exhibition runs from Aug. 6th - Sept. 15th, 2012

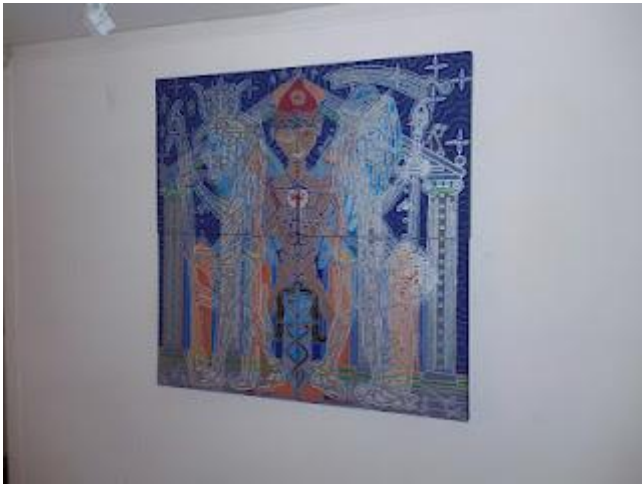

Room No. 5 Circle Of Arts was founded by a group of artists who became friends on the internet and have over the course of four years worked on a number of sociopolitical art projects together within the much larger Mirca Art Group. Room No. 5 Circle Of Arts is a much smaller group of core artists from Mirca. The concept was to exhibit works unhampered by themes or projects, but rather to highlight what each artist does best. In essence, each artist is his or her own curator.
